TENTATIVE: Debtor exam to proceed, assuming Mr. Wong appears.

**PRATT V. JENDRO** **138569**

TENTATIVE: The court will deny the request for statutory preference, with the very strict timelines that entails, but will attempt to set the matter at the earliest practicable date compatible with the schedules of the court and counsel. Counsel should appear for setting.

TENTATIVE: Granted.

**CASTILLO V. BUTTE COUNTY** **139181**

**IN RE JULIA BURGESS** **139487**

TENTATIVE: The proof of publication appears in the file, and the name change is to be granted.
